

# money that goes to the root of what you need

Cash grants for your neighbourhood are available now

This is your chance to make a real difference to your community, and tackle some of the problems in your area. Projects can range from landscaping waste ground, improving existing community facilities, installing a community work of art, looking at ways to help residents feel safer in their neighbourhood and getting people volunteering.

helping you to make your ideas grow

**GROW!  
NURTURE!  
BLOOM!**

Almost anyone can apply, whether friends and neighbours or voluntary, community and residents' groups. All you need is a project based in Manchester that will benefit Manchester residents.

For an application form and further information, call 234 3159 or email [cashgrants@manchester.gov.uk](mailto:cashgrants@manchester.gov.uk)
