

# Delivering the Project

## Context and Purpose

(why are we here)

Karl Creaser, Historic England

# Stepping to Success

**Start - Meet up, discuss issues, identify needs**

**Finish – More informed, trained, supported, confident**

# Funding your Project, key points

- Practical advice from the HLF on **what makes a good funding application**
  - Tips on **using smaller projects** either to build up to a bigger one or as part of a larger project
  - A session on **diversifying income** - sharing ideas on raising income and highlighting additional and perhaps less traditional sources.
- 
- Questions – Maya from the HLF will be available to answer questions during the breaks today
  - Further information – resources and information from the training sessions will be available later

# Today's Session

- Work on your building – the **exterior** work
- Planning regulations – **Listed Building Consent**
- Using an **accredited** architect
- Work on your building – **the interior fit out**
- Record keeping and celebrations
