We believe in the potential of every individual.

We believe no one should live in poverty.

We believe in the power of effective information and advice.

Manchester Mind is working collaboratively to help the young people who are most likely to face crisis – This is a partnership project to provide advice to 18 to 25-year-olds who have mental health problems, are disabled and/or are homeless. We are recruiting someone to have lead responsibility for this exciting Big Lottery Funded Programme.

Manchester Mind takes a more collaborative view of all service design and delivery. This includes working alongside colleagues with complementary skills and knowledge, recognising people as experts in their own experience, and working with other specialist agencies and groups.

We are seeking people or a person who cares about social justice and collaboration to come and work with us.

- **Advice Team Leader**
  Salary: £29,055 (pro rata) | £14,527 (actual) | Hours: 17.5 per week | funded by The Big Lottery – Help Through Crisis Fund with funding in place until 2021.

The skills and knowledge that are important to us are:

People management.
Project management.
Partnership development.
Advice in areas of social welfare law (benefits, debt, housing).

If you are interested in this role, please download an application pack from the Vacancies page of our website, www.manchestermind.org. A job description and person specification should be downloaded along with the application form so you can read more about what the job entails and a fuller description of the skills, knowledge and experience that are needed. The deadline for application submissions is **12noon, Thursday 26th July 2018**.

Manchester Mind is striving to be an equal opportunities employer and welcomes applications from all sections of the community. Manchester Mind sees it as a positive advantage if you have experience of mental health issues and/or have used mental health services or had experience of volunteering.
