THE YOUNG PEOPLE OF MANCHESTER

Manchester Youth Council is part of the City Council structure.
What is Manchester Youth Council?

We are a group of young people who are passionate about giving a voice to the youth of Manchester, raising awareness of issues for young people and having our say about the decisions that affect our lives.

How Does it Work?

Our membership model offers young people more ways to get involved in the activities of Manchester Youth Council (MYC)

MYC Members

School/College councils, youth groups and special interest groups can join the MYC network as member organisations. Any young people from these organisations (aged 11-18) involved in representing the views of other young people, will automatically become MYC members and have access to information, campaign materials, training, awards and volunteering opportunities.

Young People can also apply to be Solo Members but must demonstrate who they will represent or how they will feed work back into the community, to be elected into The Hive.

The Hive

For those young people who want to be more involved in the running of the youth council, they can be elected into The Hive.

The Hive are responsible for communicating with all parts of the wider youth council.

19+ Leaders

Any young people 19-25 who have served within the youth council or are interested in developing their social action or politics work are invited to join the Leaders groups, who will act as mentors, design training sessions and assist in the smooth running of the MYC programme.
MYC Members

As part of the youth council, members will be connected in to a network of enthusiastic young people who share their desire to make real change within their communities on the issues that affect them and to represent the voice of young people.

They’ll have the opportunity to link with other young people, via our online tools, to develop campaigns, share their successful work or to suggest new ideas for how to make our city a better place to grow up.

We will also bring representatives together 3 times a year at a large sitting in the council chambers. Here, members will have the opportunity to challenge decision makers, debate issues, access development workshops and have a say on how the youth council is run.

Members will also have the opportunity to:

- Take part in Citywide and area consultations or campaigns
- Attend training sessions or access training resources and support
- Receive and share information via web and social media platforms
- Nominate members to join The Hive and participate in elections for the regional youth council forums and National Youth Parliament
- Promote Opportunities for Young People
- Receive awards and celebrate your achievements and the positive contribution young people make to the city

“The Youth Council gave me a great opportunity to become an MYP and go to House of Commons.”

– Ali, 16

They represent the voice of the wider members within the City Council and at meetings locally and nationally. Any MYC member can stand for election and nominations will be live online for young people across the city to take part and vote for their Hive Members.
